A Message from Pastor Rick:

We celebrate the 240th birthday of our great country this year. Many of us will be sure to fly our flags and maybe even wear something red, white, and blue this weekend. Families & friends will get together for cookouts and fireworks. Patriotic movies and concerts will be shown all over our televisions. It’s a great time to celebrate the history and accomplishments of what is considered the most successful democracy in history (even though our form of government is actually a republic).

I think we often forget, however, some of the principle reasons our nation was born. Here is an excerpt from The Declaration of Independence that might refresh your memory:

We hold these truths to be self-evident, that all men are created equal, that they are endowed by their Creator with certain unalienable Rights, that among these are Life, Liberty and the pursuit of Happiness…

The above listed rights are what caused the colonists to fight and are the reason why many have sacrificed their own lives so that other might be free. According to the original signers of this document, these rights are given to ALL people.

Personally speaking, I think we have drifted away from these values. We, and many of our politicians, often seem to only care about these rights as they pertain to ourselves and “people like us”. We sometimes fail to see how some are not treated as if they have a right to liberty or a chance to pursue happiness. As long as we’re happy and free, the needs of “those people” take a back seat. We forget that our freedoms end when they infringe on the freedoms of others. Our leaders, and those who elect them, should be focused on what can be done to help everyone experience the liberties we all hold so dear.

As Christians, our calling is to “act justly, love mercy, and walk humbly with God” (Micah 6:8). This means that God asks (actually requires, according to Micah) us to do what is right for all creation without putting ourselves first. Sometimes this means that we even have to respectfully question the actions and policies of our government. A good and patriotic citizen should be doing this anyway, regardless of one’s religion.

Our country is only as strong as our ability to take freedom seriously.

I close with a quote from Eleanor Roosevelt on this subject.

“Freedom makes a huge requirement of every human being. With freedom comes responsibility. For the person who is unwilling to grow up, the person who does not want to carry his own weight, this is a frightening prospect.”

Peace, Pastor Rick
A Message From Jan Hanes
Council President

Dear Friends of St. Paul
Well here it is, half of the year is gone already.!
It feels just like yesterday I started as your Council
President.
For those who could not attend VBS, you missed a
lot! Let me say, THANKS to all those who helped
put the Barnyard Roundup together.
Everyone I talked with, especially the children, said it
was GREAT and they learned a lot.
We have lots of ways to be involved in the life of our
church and community; You can make a difference by
connecting with the group that is right for your
interests and talents. Take a little time to look at the
list below and see where/how you would like to be
involved. Contact a Coordinator for more information.
Don’t forget that you elected your council members,
we are here to serve you and if there are any sugges-
tions or ideas; please let one of us know.
Thrivent is deeply saddened about the tragic loss of
life that occurred in Orlando on June 12.
When heartbreaking events of this magnitude occur,
Thrivent members often want to know how they can
make a difference.
In addition to continuing to hold those affected by this
tragedy in our prayers, other opportunities exist to
support the victims, their families and their
community during this difficult time.
Thrivent will be matching all Choice Dollar directions
made to these two churches (Trinity Lutheran
Church (LCMS) in Orlando, Florida and St
Stephen Lutheran Church (ELCA)
Longwood, Florida) through July 31, 2016.

May 27-29, 2016 Elizabeth and I were blessed to represent St. Paul Lutheran Church as delegates during the 2016 ELCA Southeastern Synod Assembly in Birmingham, Alabama. It was a long drive to Birmingham but we were lucky enough to share it with Pastor Rick and he did a good job in keeping me awake.

There was no doubt that the Lord was with all of the attendees during this Assembly. There were a number of Resolutions that we voted on (see complete list below), but the two that come to mind are:

1) **A Resolution Concerning Youth**

   That the Southeastern Synod Council encourage all congregations of the Synod to:
   1. Work with the younger youth in our congregations to foster stronger relationships and faith experiences; and,
   2. Include all youth in activities regardless of ability, sexual orientation, gender identity, cultural heritage, or race; and,
   3. Inform all youth of scholarship and post-secondary opportunities to continue their faith journeys; and,
   4. Promote funding within congregations to allow equal opportunity for all youth to participate in youth retreats and synodical camps; and,
   5. Provide opportunities for the youth to help their neighbors in times of need, both locally and globally; and,
   6. Acknowledge congregationally and synod-wide the fact that the youth are the church of today and should be represented and offered opportunities to further their faith to create a strong foundation for the mission and future of the church.

   Submitted by Southeastern Synod Lutheran Youth Organization, this resolution was passed by the majority.

2) **A Resolution Concerning our Christian Call to Love and Serve our Refugee Neighbors**

   The Southeast Synod develop a plan and share resource materials to assist congregations in exploring their Christian calling to love and serve their refugee neighbors and learn about their experiences and needs;
   that the Southeastern Synod recommit itself to being an advocate and justice seeker for refugees;
   that the synod encourage congregations, individuals, and communities to be the church at work in the world offering welcome and hospitality to refugees through local ministries and in partnership with Lutheran Immigration and Refugee Service;
   that each congregation is encouraged to pray for refugees and annually host a Refugee Sunday (www.lirs.org/refugeesunday);

   This resolution passed.

I also had the opportunity to attend a number of workshops. The one that I found most interesting was, ELCA Future Direction: What’s In It for Congregations?

This workshop started with the business of the church is not just faith based but “What is God doing and what is God calling us to do”. One of the questions asked was, what kind of church is God wanting us to become? The answers were Compassionate, Listening, Faith Based, Loving and Accepting and last Need to Change with the Times. In order to continue as a thriving church we need to listen to God, our congregation and our community.

Elizabeth and I truly enjoyed being a part of this weekend that was overflowing with God’s Love. It was an honor for us to represent St. Paul.

St Paul Youth Share about their Affirm experience - what they liked the most…

I love the community of everyone there and just getting to see everyone have fun. I can't wait till next year. All of the leaders are amazing and they share their stories about God in their lives. Coming here and hearing stories and experiences from our leaders is the best.

Affirm is such an amazing experience that allows me to rejuvenate my faith for a week but also encourages me to continue rejuvenating my faith throughout the year. It’s a great week with friends that share the love of Jesus with me.

I liked meeting all the new people from my unit and all the other units/staff. Everyone was very friendly and nice. I made lots of friends and will hopefully see them all again next year. I'll miss everyone I met there.

I really like how fun it was. I also liked how the leaders were so nurturing and nice. I was able to make so many friends.

Worship, the songs gave me goosebumps, the sermons spoke to me, and the skits were really funny.

Being able to view the Affirm community as a participant and as staff. I learned what it not only means to be a Lutheran, but also how to lead youth within a ministry setting. I cannot wait to be on staff with this loving and affirming community.

I liked unit time most because we played games and had a lot of fun. I enjoyed the whole experience. It Was my first time doing something like Affirm. I had fun and I can't wait to go back.

I learned many skills I could use to lead youth in small groups - at AFFIRM or elsewhere. I learned the soft skills of leading activities, interacting with youth, and helping youth interact with each other. We also had several very theological conversations with Bishop Gordy that helped me to clarify some questions I had, which will allow me to answer difficult question from youth in the future.

With this training, I can't wait to be on AFFIRM staff in the future!

Worship, because I could feel God moving in the chapel.

Comfort Quilts Update

Although there has not been news sent out in a while, rest assured that the Comfort Quilts Ministry is alive and well - it has been a busy and active spring.

Here are some highlights:

*Kudos to Mona Bishop, Erica Hanes, Carolyn Speck, Nan Wiley, & Kris Zimmer for always being willing to do the bindings on our quilts. Without you gals, our quilts would never get finished.

*Thanks to Leigh Caldwell and Jackie Kreider who sew all the labels on the quilts for us.

*Thanks to the following for donations:
  -Ken Hancock - several bins of fabric and lots of batting too
  -Sue Tyler - another bin of fabric
  -Suzanne Bielenberg - fabric donation
  -Carolyn Speck's children - financial donations to our fund for Carolyn's birthday and again for Mother's Day
  -Kathy Kaun - donated several completed quilts for our children.

*Community Helpers:
  -Delores Maglione - pieced and did binding on a Comfort Quilt
  -Royce Jackson - pieced several Comfort Quilts from her fabrics
  -Patti Carpenter - donated two large quilt tops (Shirley quilted them) - they will be used on the Family Promise beds
  -Julie Vernon - my community right hand - she cuts all the 4.5" squares for us and also pieces quilts making use of the smallest scraps

*A very special thanks to Kris Zimmer. We are quite the team creating beautiful quilt kits for our children as well as printing all of our labels and doing whatever needs doing. And also to Shirley Lips who does all of the long-arm quilting and tries to keep this wonderful group of ladies organized and focused.

In 2015, this organization gave out 66 quilts to needy and hurting people, reminding them that they are special and they are loved both by us and by God. We are striving to exceed that number this year and with all the willing workers, I think we will succeed.
