PASTOR AND CHURCH COUNCIL

A Message from Pastor Rick: When talking with my parents about the horrific shootings in Charleston, my dad shared with me something he was going to use in a sermon. Some of you might remember these words from the musical “South Pacific.”

You've got to be taught

To hate and fear,

You've got to be taught

From year to year,

It's got to be drummed

In your dear little ear

You've got to be carefully taught.

You've got to be taught to be afraid

Of people whose eyes are oddly made,

And people whose skin is a different shade,

You've got to be carefully taught.

You've got to be taught before it's too late,

Before you are six or seven or eight,

To hate all the people your relatives hate,

You've got to be carefully taught!

Hate and racism are not things that come about naturally. Rather, they are learned behaviors. Someone has to teach you to feel and act in these negative ways. Unfortunately, we (as a culture) have been teaching this to our children. Racism may not be a part of what you have taught your children, but we are also responsible for how all of the children in our community are raised.

As individuals and as a faith community, we can do a lot to try to change racist behavior.

- First, we should agree that there is no room for any type of speech that degrades or belittles anyone. This refers not only to jokes, but also stereotypes we might make about a particular ethnic group or class of people.
- Second, we do everything we can to help people use language that sows seeds of love rather than hate.
- My third suggestion is both for the individual and community. We need to step up and speak out whenever we witness acts of hate or racism by individuals or any group. This includes calling out business owners, organizations, and government officials when we see inappropriate behavior or an attempt to discriminate against any person or group.

I invite all of you to join me for one opportunity to stand up and love all people as God has called us to do.

On July 25, there will be a Walk against Racism at 1PM beginning at New Providence Presbyterian Church. This event was planned prior to the Charleston shootings. It will be a wonderful opportunity to stand with our brothers and sisters from many faith communities and many walks of life to show that we stand for love and fair treatment of all God's children.

Peace

Pastor Rick

PASTOR AND CHURCH COUNCIL

A Message From the Council President

Dear Friends of St. Paul

Needless to say summer has come in like a lion but we must all celebrate what the Lord has given us. I certainly hope everyone enjoys this summer and what it has to offer us. I would like to share with you a little about what we have to look forward to this summer.

I recently had the opportunity to be part of St. Paul's Vacation Bible School (VBS) entitled Camp Discovery and all I can say is WOW! The Lord was standing beside everyone who attended Camp Discovery whether you were a volunteer or participant. I want to take this opportunity to thank all the volunteers who gave of their time to make this a spectacular VBS. It took nearly 30 volunteers to put this together and we were able to worship with more than 30 children in word and song. I strongly recommend that you look into your hearts and participate in this excellent program next year.

I also want to congratulate St. Paul for donating the Camp Discovery VBS Material to Meadow United Methodist Church. Meadow United Methodist is a small country church in Blount County about 20 minutes outside of the city limits. This is a huge blessing and the people of Meadow United Methodist are thrilled with our gift. This turns out to be a gift that keeps giving.

The Red Lewis Baseball game at the Smokies Stadium is July 11 and there are still a few tickets left. The cost is only \$10.00 and that includes your seat, hotdog and a drink. Please see Rene Zimmer if you are interested in joining us. I also want to thank Men in Mission for hosting the Men's Bible Study on Sunday mornings starting at 9:15 am. There will not be a Bible Study on the July 4th weekend. I would like to thank Dan Wynn as President of Men in Mission for his support of the Men's Bible Study.

We have 7 members of our youth and 2 adults attending the National Youth Gathering in Detroit July 14-19. I know the Lord will be watching over them and all the attendees but it doesn't hurt for all of us at St. Paul to pray for a safe trip and a rewarding experience.

On July 25th at 1:00 pm there will be a "Walk Against Racism". This walk will start at New Providence Presbyterian Church and I encourage all members of St. Paul Lutheran Church to attend both young and old.

In closing I want to remind everyone about "Come to the Water" in August. This is a fantastic program for men of all ages and we are very lucky this year to have Bishop Gordy attending. This event is mainly for the men of St. Paul but we need volunteers from everyone in our congregation.

I want to wish everyone a blessed summer and hope you all continue to grow in God's Faith.

Yours in Christ

PASTOR AND CHURCH COUNCIL

A Message From Pastor Mike Ward

I'm excited about the ministry at St. Paul!

Although I really only have worked with and know about eight of you, I am getting to know you and I like what I see. I'm very excited that many of you stepped forward with financial support so that you are now personally invested in this process.

The St. Paul Tomorrow group has been meeting for several months. They have gained input from you and we just did an exercise where we gained input from some of your ministry partners in the community.

The group has settled on the mission statement;

“Growing in the Spirit, Making Christ Known”

I like that this statement both looks for growth from those who are already at St. Paul and looks to share the love of God outward. This is the tension we need to live in as church.

Your Guiding Principles and Values tell me a lot about who you are.

Our focus, now that we have these established is to determine how we live into them more fully.

The Guiding Principles and Values that the team determined with your input are:

- We are committed to care for each other
- We seek to discover the Holy Spirit active in our lives
- We invite, welcome, and engage all to worship and community
- All are welcome at the table
- We empower individuals to live as disciples of Jesus
- We live God's love in the word by providing shelter, food, and comfort to those in need
- We celebrate the gifts of all, from cradle to grave

These describe a vibrant community. It may be that some of these principles are still more “aspirational” instead of “actual”, but that is just fine. When you are intentional about understanding who you are and who you want to become you can become more than you ever expected.

God has great ministry in store for this congregation. I'm excited to see what that will be.

At our most recent meeting, the team began working on goals for the congregation. We will share these soon, but they are still being developed. I have to tell you that the development of these goals was the clearest I have seen for a congregation in a long time. It truly feels that we are being Spirit led as this unfolds.

My hope for these goals will be that they are:

- Achievable
- Sustainable
- and they generate the outcomes we desire.

We are looking at them to cross over many of your guiding principles and values so that they can have wide-spread support. We also desire that they are beneficial in strengthening those of you already at St. Paul in your faith and walk with God as well as reaching out to share God's love and listen to those in this community.

Please continue to pray for this group and this effort. God is leading and it has been a joy to be part of the journey. I look forward to continue on that journey with you over the next few months.

SYNOD NEWS

Synod Assembly Report By: *Bob Ullom*

The Southeastern Synod of the ELCA held their 2015 Assembly in Birmingham, AL on Jun 5-7.

St. Paul Lutheran Church was represented by Pastor Rick, Beth Drane, and Bob Ullom. Sue was also extremely busy herding the volunteers as they insured the smooth running of the Assembly.

The Assembly was spiritually uplifting, very informative, and the business of the synod was accomplished. There were four plenary sessions which allowed business to be conducted, but also allowed time for bible study and general reports from most all the synod ministries and special subject teams.

A special part of the Assembly was the electing of numerous people, both new and returning to office, for the functioning of the Southeastern Synod.

We had the opportunity to go to workshops of our choice and had Beth and I had the special opportunity to spend two and a half hours with Dr. Mark Allen Powell, an internationally known biblical scholar and writer of more than 25 books on the Bible and religion. He is so interesting and knowledgeable. If you have any special questions about the Assembly, see one of the three of us and if we don't have the answer, we will do our best to get it for you.

WHAT'S UP WITH THE CHURCH LIBRARY?

You may have noticed that the library has been a mess! The books were stacked up so you couldn't find anything and then boxes of books were offered to you and then hauled away. Now the books have been completely rearranged so you still don't know where anything is. We are asking that you not check out any books for the present time and return any that you have at home.

The library is being rearranged and will be moved to a new space in what is now known as the "Cry Room" room #2, behind the sanctuary. Shelves are being built and books are being color-coded, and will be moved as soon as the shelves are ready.

You will enjoy the new space. It will be lighter and roomier and more inviting. There will be computer access to the card catalog so you can look up topics or authors or subjects easily.

The room will still be available for small meetings and on Sunday mornings during worship, for small children. Please be patient until the new space is ready.

What will happen to the old library space? It will become another conference room—badly needed meeting space.

PRAYERS FOR THE GATHERING

By: Kara Birdwell

You, can be a part of the National Youth Gathering!

1) Add us to your prayers for: Enlightening of the Spirit, Glorifying God's Name, Working for Justice, Learning Mercy, Growing in Christ, and Safe Travels.

2) Watch the live feed from Ford Field each night.

<http://www.elca.org/youthgathering>

3) Follow us on: Facebook; Instagram - @stpaulmaryville; Twitter - @saintpaul1954, for pictures and daily updates.

4) Join us on Sunday, July 26th for a special, Thank You Breakfast and to hear about our time in Detroit.

Our bible studies are complete and the youth are ready to **Rise Up** in Detroit July 14th – July 19th.

Many have asked, “What will you be doing in Detroit?”

Well... The Gathering’s program is built around three opportunities to proclaim ‘the good news of Jesus Christ, the Son of God’ (Mark 1:1): **Proclaim Story**, **Proclaim Justice**, and **Proclaim Community**.

On our Proclaim Story day, we will learn that God’s story is a love story, and that all of God’s people have an important role in this story. Everything we do is “The beginning of the good news...” and, as followers of Jesus, we are sent to live out the rest of this story through discipleship. Through storytelling, music, bible study, interactive learning and worship, we will dwell in God’s story, begin to articulate our own story, engage each other’s story and be sent out to proclaim that Jesus = good news.

On our Proclaim Justice day, we will work alongside Detroiters helping them to recreate an American city. We have the unique opportunity to see first-hand the resiliency of the people of Detroit. While we have not received our work assignment at this time, we could be boarding up windows, cleaning vacant lots, building playgrounds, planting gardens, making food at a shelter, etc.

On our Proclaim Community day, we will visit the interactive learning center and in doing so follow Jesus on the way to the cross. Through a variety of mediums, such as art, music, technology, sports, community, fun, and reflection, students will be challenged to: recognize the good news in all relationships while working toward reconciliation in Christ, listen before speaking and ultimately proclaim the good news in our own communities.

Why is this important for our youth to be involved in The Gathering?

We are meant to be together, and we are a church that believes God is calling us into the world – together.

Every three years we gather youth and adults together to share their unique stories and to experience the larger story that makes up the ELCA, we gather to be inspired, encouraged, strengthened, connected and sent out to do God’s work in the world – together! In Detroit we will learn that as individuals, as communities, as a collective humanity, we are called and claimed as characters in and witnesses to God’s divine story, a story that always moves through the cross to the resurrection.

I am confident that we will all be touched by God’s story unfolding in Detroit. We will return home more aware of our place in God’s story, a story enhanced by the stories of others, especially those who are different from us. We will be encouraged to see ourselves as essential witnesses to God’s story in the world as we learn to proclaim the beginning of the good news in and through our lives of discipleships, a discipleship marked by our baptismal promises to:

Live among God’s faithful people.

Hear the word of God and share in the Lord’s supper.

Proclaim the good news of God in Christ through words and deed.

Serve all people, following the example of Jesus.

Strive for justice and peace in all the earth. (ELW, page 236).

Thank you for allowing us this opportunity! Thank you for your continued support!

Please join us July 12th in a congregational blessing before we embark on this exciting journey.

A BIG THANK YOU TO EVERYONE WHO HELPED WITH VBS!

In *Camp Discovery*, we learned that Jesus works in and through us! We looked in the Bible, God's Holy Word, and explored five tree-mendous Bible accounts where God works in His people to save them and through His people to serve! Jesus saves us and gives us faith, courage, and wisdom to help our family, friends, and neighbors and to give God glory right now!

Our St. Paul Family spent the week together; singing praises to God, sharing stories of God's faithful people, serving each other, praying and worshipping together. This glimpse of the Kingdom was a JOY to be a part of. I give thanks for everyone who came to participate and for those who gave of their time in the many hours of planning and preparing.

SUSTAINABLE DEVELOPMENT. LASTING PROMISE.

School Kit Collection

Collection Through August 9th

WELCA is collecting the items listed below to make school kits for Lutheran World Relief. You may drop off your donation at the display in the Welcome Center.

Why school supplies? To the children who receive School Kits, these supplies mean the difference between getting an education or not. Public school is usually free, but in the places where LWR works, even a few required supplies, like pens and paper, may be more than many families can afford.

×4

Four 70-sheet notebooks of wide- or college-ruled paper approximately 8" X 10½"; no loose-leaf paper

One 30-centimeter ruler, or a ruler with centimeters on one side and inches on the other

×1

×5

Five unsharpened #2 pencils with erasers; secure together with a rubber band

One blunt scissors

(safety scissors with embedded steel blades work well)

×1

×1

One pencil sharpener

Five black or blue ballpoint pens (no gel ink)

secure together with a rubber band

×5

×1

One 2½" eraser

×1

One box of 16 or 24 crayons

The Women of Saint Paul have been busy.

We have been collecting many different items. We collected **50** pairs of eyeglasses, which went to the Lions' Club. We also collected used ink cartridges which were taken to Staples who give us a one-dollar credit per cartridge. This money is for general church office use, such as ink, staples, etc. The books we collect go to the Food Connection, for those who love to read but cannot afford books.

Besides our ongoing collections, we now need to step up our collecting of soda can tabs and also Campbell's soup labels. These two items will be taken to the convention in September.

The collecting of school supplies is under way, and we appreciate the wonderful support of the congregation!

NOTE: We are not assembling the personal care kits with the entire congregation, they are being assembled on an individual basis only - so **please** donate only completed personal care kits. Thank you so much!

Other Weekend Dates Available.

If you are not able to attend the first weekend with the St. Paul ladies, you can register for one of the other weekends on your own or with a group of your friends. Individual registration opens November 1st.

Feb. 5-7, Feb. 12-14, Mar. 4-6, and Mar. 11-13, 2016

The 2016 Wild Women Weekend retreat will focus on **MAKING DECISIONS.**

Each one of us makes countless decisions every day. Many times we don't even realize we are making them. But once in a while we are faced with a decision that stops us in our tracks. Options loom large before us, and we do not know what to choose. How do people of faith make decisions? What are the Biblical Models for making difficult decisions? What wisdom do contemporary Christian thinkers and our sisters in faith follow in determining God's will for their lives? These are the questions we will explore at the 2016 Wild Women's Weekends at Lutheridge. We'll study Rahab from the Old Testament and Jesus' genealogy in the New Testament. Climbing Jesus's family tree and rappelling off the walls of Jerico will help us learn to take risks and make faithful decisions in our own lives. Enjoy storytelling, crafts, singing, and more ~ all in the beauty of the mountains of North Carolina.

Retreat leader is Pastor Mary Canniff-Kuhn, Lutheridge Program Director & Storyteller
